2019 - 2020

PARAGON PLASTIC is an Israeli company, producing, marketing and designing plastic products.

Paragon, a family business till this day, was established in 2000.

The company produces a variety of plastic products for home use that are marketed throught the world-storage products, household goods, boxes, kid's products, gardening products and much more.

Paragon Plastic LTD produces plastic products using the most advanced and innovative technology, developing and designing them with a special emphasis on the needs of the global market.

At Paragon we make sure to provide our costumer with the finest product - innovative in its design and mesmerizing in its colors, suited for our modern times.

The company keeps producing, developing and increasing its activity with each year on a global scale.
